4. How frequently do you typically upgrade your primary personal technology devices (e.g., smartphones, laptops)?

Select one

- ☐ Every year
- ☐ Every 2 years
- ☐ Every 3–4 years
- ☐ Only when my current device stops working

Section 2: Appeal & Viability of Installment Financing

Assess the overall demand for payment plans over traditional payment models.

5. When purchasing a new premium technology device, which payment method do you most prefer?

Select one

- ☐ Full upfront payment (Cash, Debit, or Credit Card)
- ☐ Monthly installments split over time
- ☐ Lease-to-own options
- ☐ No preference

6. If BeyondTech introduced an installment payment plan, how likely would you be to choose it for your next purchase? Rank on a scale from 1 to 5, where 1 = "Extremely unlikely" and 5 = "Extremely likely"

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4

- ☐ 5

7. To what extent do you agree with this statement: "An installment payment option would allow me to upgrade to a higher-end device than I could otherwise afford upfront."

Rank on a scale from 1 to 5, where 1 = "Strongly disagree" and 5 = "Strongly agree"

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5

8. What would be your primary reason for choosing an installment payment plan?

Select up to two responses

- ☐ Managing my tight monthly budget
- ☐ Ability to get the newest features immediately
- ☐ Keeping cash free for other non-tech expenses
- ☐ Avoiding large, single upfront expenses
- ☐ N/A – I would not use an installment plan

Section 3: Value Trade-offs & Contract Compromises

Force choices between competing preferences to uncover true user priorities (e.g., cost vs. term length).

9. Which of the following plan structures would you prefer if you had to choose one?

Select one

- ☐ A shorter 12-month contract with higher monthly payments
- ☐ A longer 24-month contract with lower, more affordable monthly payments

10. If a 0% interest plan required a mandatory down payment, which option would you choose? Select one

- ☐ Pay a \$150 down payment upfront to enjoy 0% interest monthly
- ☐ Pay \$0 down upfront but accept a small interest fee added to each monthly bill

11. Would you be willing to pay a slightly higher total price over time if it guaranteed your plan had zero interest fees? Select one

- ☐ Yes, I prefer a higher overall device cost if it means 0% stated interest
- ☐ No, I prefer the lowest total price, even if it includes a visible interest rate
- ☐ Unsure

12. Would you consider bundling your monthly hardware device payments with a subscription service contract if it lowered your monthly bill? Select one

- ☐ Yes, absolutely
- ☐ It depends on the specific service offered
- ☐ No, I want to keep my device payments completely separate

Section 4: Customer Retention & Brand Perception

Evaluate long-term loyalty indicators and potential impacts on brand prestige.

13. If a competitor offers an attractive installment plan but BeyondTech does not, how likely are you to switch brands? Rank on a scale from 1 to 5, where 1 = "Extremely unlikely" and 5 = "Extremely likely"

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5

14. How would the introduction of flexible monthly payment plans change your overall perception of BeyondTech?

Select one

- ☐ It makes the brand feel more modern, accessible, and customer-centric
- ☐ It makes the brand feel less premium or prestigious
- ☐ It would not change my perception of the brand at all
